Bikeability at HGJS

School is able to re-run the Bikeability Level 2 course from Monday 14 October to Friday 18 October 2019.

Bikeability is the Cycling Proficiency test for the 21st Century and is designed to give students the skills and confidence to ride their bikes safely. The training will be delivered by professional Cycle Instructors.

The training will take place during the school day. Children will need their own roadworthy bike and a cycle helmet as some of the training takes place on local roads.

Spaces for this course are limited. All children who are interested must return their reply slips by Monday 23 September. Places will then be randomly selected and successful applicants will be informed.

I apologise in advance that depending on the number of applications received not all children interested may be able to attend the course.

If you are interested in taking part, you need to either:

- print out the slip, complete and return it to the school office
- or
- write the required information onto a letter and return to school
- or
- send an email to office@hallgrnj.bham.sch.uk with the required information

We will confirm if your child is selected.
