October 2019

Passport to Success

You will be receiving your child’s “Passport to Success” for the first half of the Autumn Term.

Parent’s input is a key part of this successful scheme. Please discuss the Passport with your child – what they did to get some stickers and why they did not get others.

Your child will have evaluated their own efforts for the half term. The box underneath is for parents to fill in by adding the appropriate “mouth to face”.

Please return it to school after the holiday. It will then form an ongoing part of your child’s School record and become their property at the end of the year.
