Year 6 Get Baking!

Next week Year 6 will be making and tasting American style pancakes.

The ingredients are:
  eggs, milk, flour, baking powder.

Additional toppings will be lemon juice and sugar. All equipment and ingredients will be supplied by school.

Unfortunately on this occasion you will not be able to share these delicious pancakes but the recipe will be added to the Year 6 area on the website so your child could make them again at home to share with their family.

If your child has any allergies that school is not aware of please inform school by Friday 7th February.
